

Galvanic Treatment

A specialised treatment prescribed to your skin type, using a galvanic current.

1 hr£55

Manual Treatment

A deep cleansing made to measure facial which can be used for any skin type.

1 hr£48

Body Sculpt Treatment

This effective treatment is a great way to help smooth stubborn cellulite while firming and tightening the skin. The active ingredients in Environs Body Profile Gel are driven deep into the lower layers to assist in the reduction of the 'orange peel effect' on upper thighs and buttocks leaving skin smooth and hydrated.

1 hr£68

Fish Spa Pedicures

Gentle removal of dry skin as our little helpers gently suck away the dry skin leaving your feet silky smooth, finished off with a relaxing foot and leg massage.

All health and safety procedures are strictly followed.
